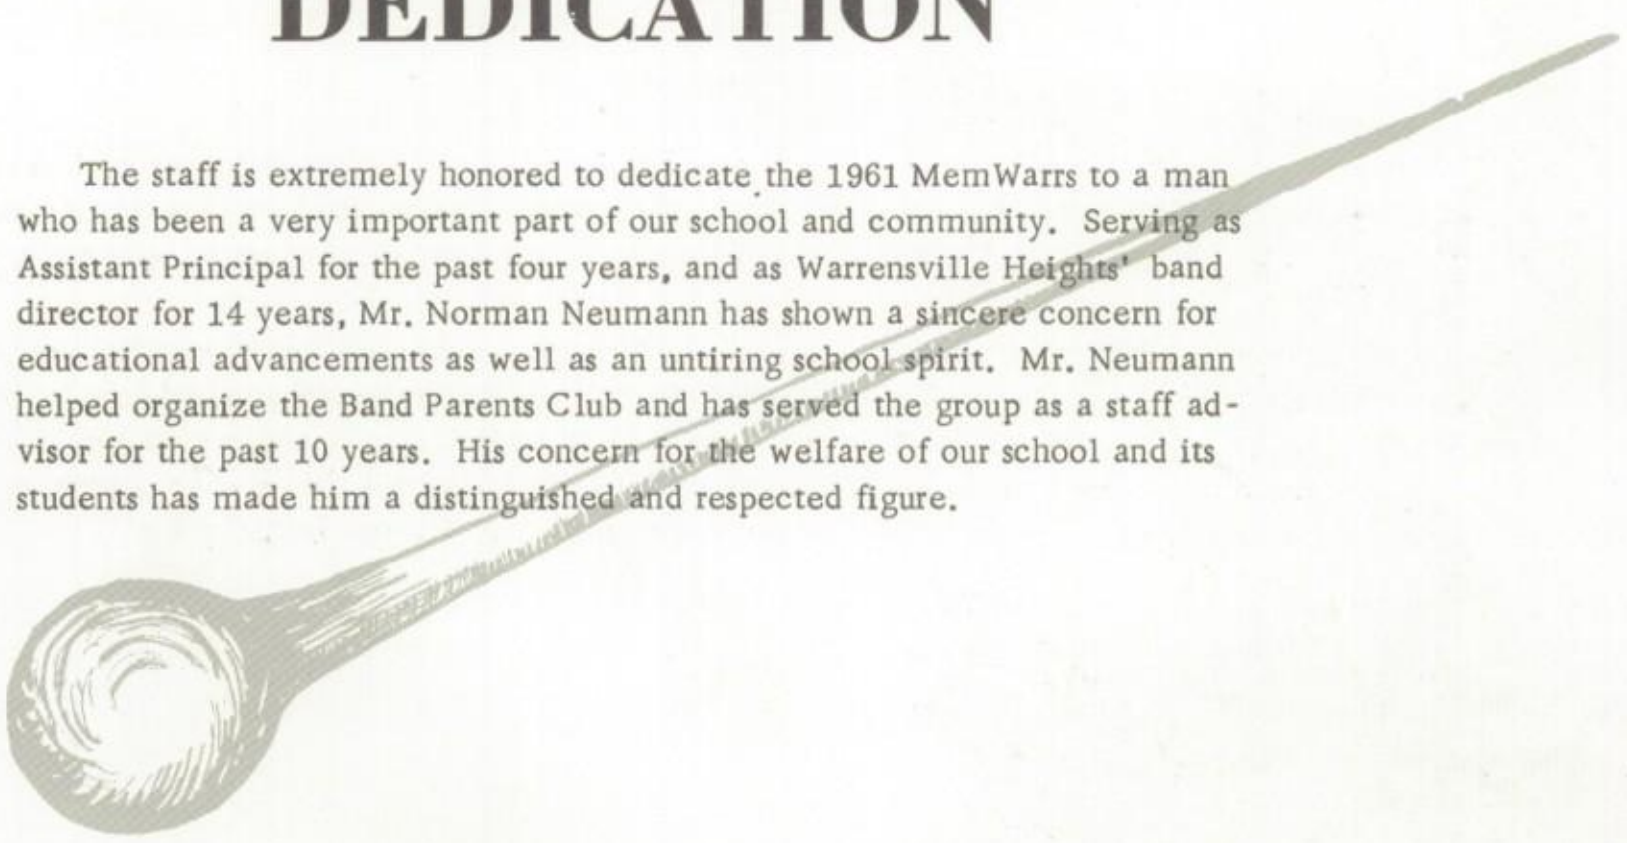
DEDICATION

The staff is extremely honored to dedicate the 1961 MemWarrs to a man who has been a very important part of our school and community. Serving as Assistant Principal for the past four years, and as Warrensville Heights' band director for 14 years, Mr. Norman Neumann has shown a sincere concern for educational advancements as well as an untiring school spirit. Mr. Neumann helped organize the Band Parents Club and has served the group as a staff advisor for the past 10 years. His concern for the welfare of our school and its students has made him a distinguished and respected figure.



FOREWORD

With the passage of years, you may look back upon this school year as the time when the darkness of ignorance suddenly became bright with the light of knowledge.

To preserve a record of these moments, and the countless other experiences of you and your classmates, this annual strives to capture the character of Warrensville Heights High as well as the character of the community of Warrensville.

PEOPLE OF WARRENSVILLE

They Search for New Knowledge . . .

. . . And Use New Methods o

Administration

STRESS EDUCATION

When SOHIO built its research center in Warrensville, the community not only received a modern new laboratory but also an unusual and effective tracking station. Since the knowledge discovered in this research center is useless unless it can be put to a practical application, this center also contains facilities for engineers to construct pilot plants which put these new principles into operation on a small scale. If these pilot plants prove successful, the operations are incorporated with present industrial methods to improve efficiency.

Teaching the younger generation is the only way to insure the continuation of knowledge. Our language department, which has acquired new modern equipment, is indicative of the whole Warrensville School system--new and modern. In the language laboratory students hear tape recordings of lessons. Although the teacher can talk to each of the 30 students individually through the system, everyone's microphone is usually on and a general discussion results.

Even though they wish to educate their children, people of Warrensville are also interested in their own betterment. The adult education program, which is self-supporting, offers 22 courses ranging from knitting and shorthand to painting and the study of investments. Approximately 200 adults gain both practical knowledge and skills from these classes.

OUR SCHOOL BOARD IN ACTION

Mr. John Eyster

Mr. Brooke Calder

Mrs. Mary Metzger

Charged with the responsibility of providing direction for the school's total program, the Warrensville School Board labors with finances, special services, and the problem of translating the needs and desires of the community into reality. Already serving their community without significant reward, the current board has endeavored to meet their responsibilities seriously by adopting a schedule of policy meetings. We feel certain that this attitude has provided us with a very capable and competent board.

Mr. H. Taylor Kahoe, President

Mr. William Sawyer

SCHOOL ADMINISTRATORS

Money . . . Money . . . Money--over a million dollars of it--and to be sure that the community receives full value for all of it, Mr. Kuhn, business manager, advises the school board and carries out their instructions.

Behind every successful administrator there is an excellent secretary. In this case, it is Mrs. Phipps, who executes the instructions of Mr. Walker so the wheels administration may turn effortlessly.

Mr. Kuhn, Business Manager

Mrs. Phipps, Superintendent's Secretary

EFFICIENT

The difficult task of interpreting the school board's decisions to the community and to the schools themselves calls for tact, persuasion, and authority. These we find in Mr. George Walker, Superintendent of Warrensville Schools. Being charged with the responsibility of administrating the school board's policies is only one facet of his job, however, as he also interprets to the lay board members the problems of the enterprise they run.

MR. GEORGE WALKER

ACTIVE . . .

THE HEART OF OUR SCHOOL

The school administration attends many functions which serve as aids and guides for running our school system. On February 13-15, Mr. Tome attended a convention in Detroit, Michigan, where principals belonging to the North Central Association, discussed the newest trends in education. George Romney, President of American Motors Corporation, spoke on "Responsibility and Freedom."

Mr. L. J. Tome

High School Principal

Two of the busiest administrators in our school are Mrs. Lang and Mr. Neumann. Mrs. Lang is responsible for the smooth operation of the junior high school. Her students never hesitate to ask for her warm, sincere, and understanding guidance. Mr. Neumann doubles his duties as the assistant principal and high school band director. Both require the patience which he cheerfully displays. With much responsibility and hard work our administration has provided the vocational, recreational, and avocational facilities which make our school system an outstanding one.

Mrs. Margaret K. Lang

Junior High School Principal

Mr. Norman R. Neumann

Assistant High School Principal

The high school secretaries, often seen running busily about the office, relieve Mr. Tome and Mr. Neumann of many tedious tasks during the day. This year Mrs. Gravill has been busy preparing many college transcripts for the seniors as well as performing her regular jobs as receptionist and typist. Mrs. Coghlan, better known as the calculating bookkeeper, is in charge of financial recordings. Keeping them in order is an arduous task which she performs well.

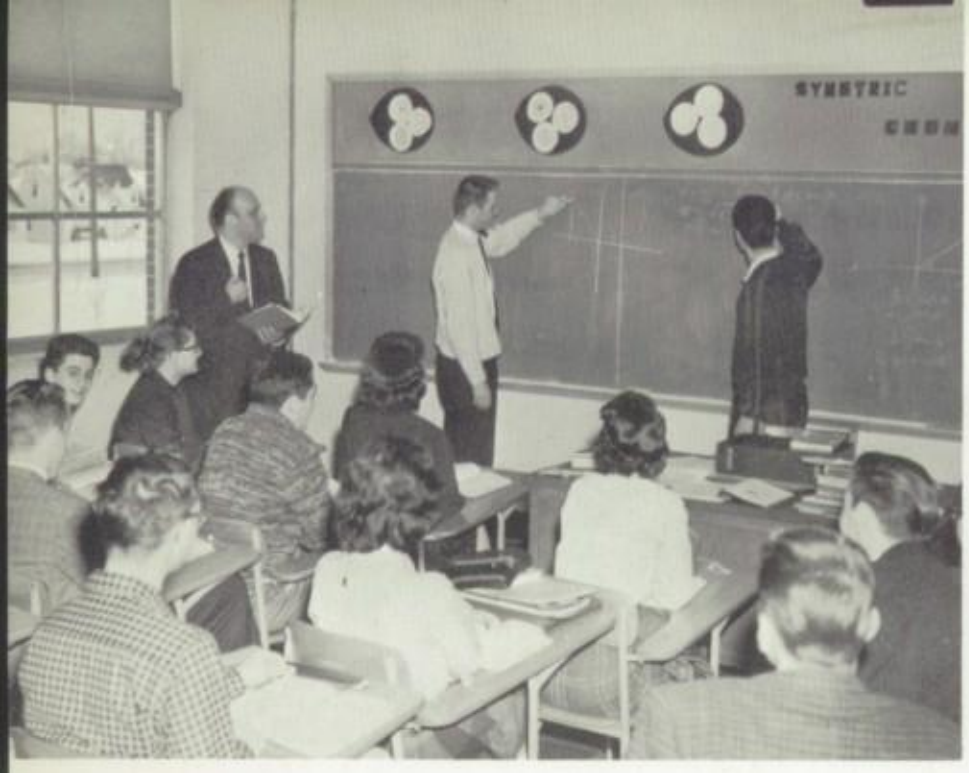
Faculty



MR. KUGELMAN watches as students solve problems.

MRS. HOFMAN assists with the solution of a problem.

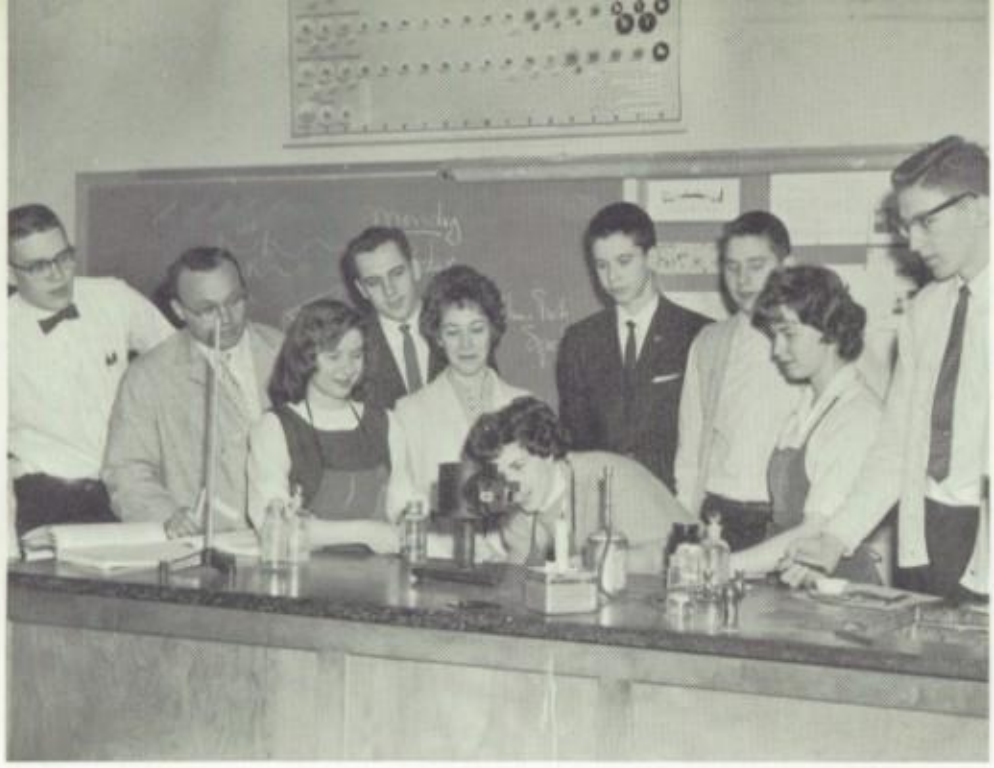
MATHEMATICS . . .

The language of science, mathematics is a subject of increasing importance in the high school curriculum. Warrensville offers a wide variety of these essential courses. Mrs. Hofman introduces students to the fascinating world of elementary and advanced algebra. Showing amazing versatility in the field of math, Mr. Kugelman teaches plane and solid geometry, trigonometry, and advanced math. A course of business math for commercial students is taught by Mr. Mills.

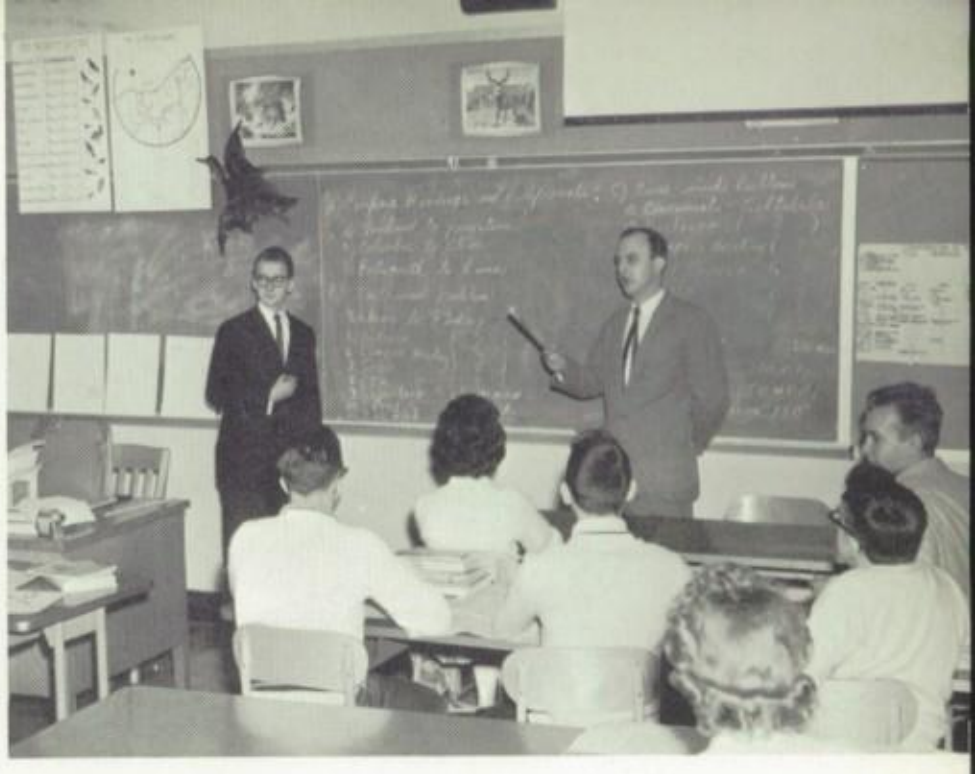
ROW 2: Mr. Kugelman, Mr. Mills, Mr. Stanton. ROW 1: Mrs. Hofman, Mrs. Burgess.

MR. MILLS explains a business equation.

MRS. BURGESS smiles and waits for a solution to a problem.



Careful! This is a MR. LOOS experiment!



MR. MEMMER discusses navigation.

SCIENCE . . .

Offering courses in general science, biology, chemistry, physics, and senior science, the Warrensville science department provides students with an adequate background for an increasingly technical world. Mr. Loos, chemistry and biology instructor, is noted for his thorough knowledge in both fields. Teaching the difficult course of physics, Mr. Kugelman helps his students keep alert by injecting large quantities of subtle humor. Mr. Clark, the senior science instructor, keeps his students wondering.

ROW 2: Mr. Redfern, Mr. Clark.
ROW 1: Mr. Loos, Mrs. Pattishall, Mr. Memmer.

"Here we have a motor!" says MR. CLARK.

MRS. PATTISHALL has a pet and the class does not mind at all.

"Are you sure that is correct?" asks MRS. KOVACS.

"BOY, what a fifth period class," says MISS COONEY.

ENGLISH . . .

Dividing the year between literature and grammar, the English department gives Warrensville's students a well rounded study of English.

Teaching sophomore English, Mr. Hearn stresses writing fundamentals, vocabulary, and literature. A cheery cry of "Hello Kiddies" signals the approach of junior English teacher, Miss Cooney. Also taught by Mrs. Blank, junior English covers grammar and American literature. In senior English, taught by Mrs. Kovacs, students gain a thorough knowledge of grammar and English literature, including the memorization of the Prologue to Canterbury Tales.

MR. KORSGAARD teaches one of his favorite subjects, the Civil War.

It must be interesting! MR. BAKER discusses political structures.

SOCIAL STUDIES . . .

Warrensville welcomed several new members to its history staff this year. Miss Horn, instructor of world and American history who left for advanced study at midterm, was replaced by Mr. Howells. Mr. Baker, the new Problems of Democracy teacher whose favorite marshal is Wyatt Earp, presented his students with many classes filled with interesting information pertinent to the course. Students of Mr. Korsgaard received not only an excellent education in American history, but also a thorough knowledge of track.

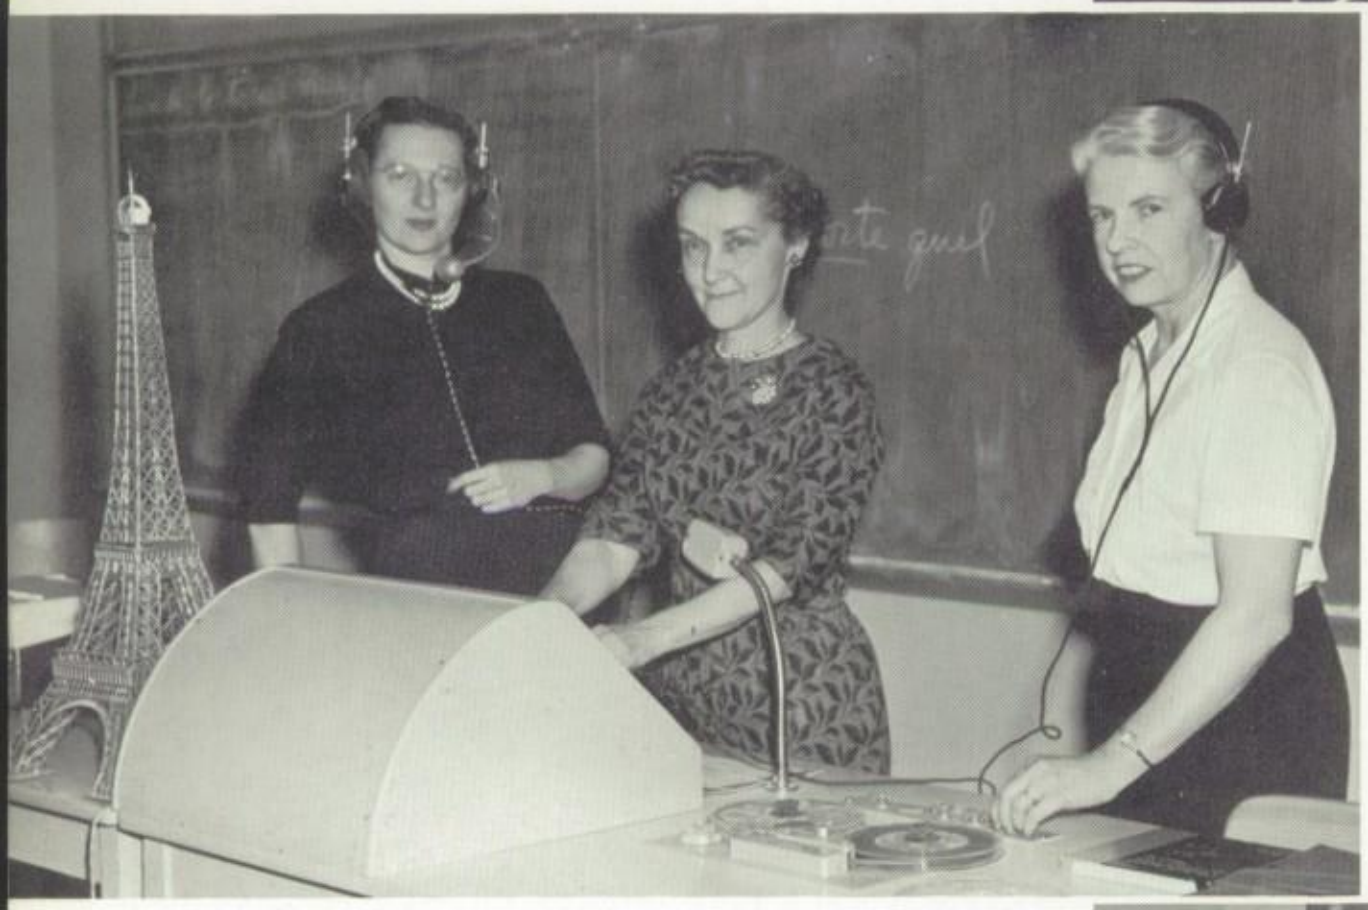
ROW 2: Mr. Teachout, Mr. Korsgaard, Mr. Bugeda. ROW 1: Mr. Howells, Mrs. Keck, Mr. Baker.

MR. HOWELLS analyzes current events.

"Here is our state capital," says MR. BUGEDA.

READING . . .

The students of Warrensville have an unusual opportunity to improve their reading skills by participating in one of the most complete and advanced reading programs in the county. Under the supervision of Mrs. Day, many students have taken part in one of several reading programs. All sections of the high school English classes report regularly for specialized work in vocabulary, speed reading, and study skills for college. In addition, about two hundred and fifty students devote time to the SRA Honor Reading Groups. At the right, Mrs. Day loads her controlled reader.



LANGUAGE . . .

The Language Department offers four years of French and two years of Latin under the instruction of Mrs. Jones, Mr. Blank, and Mrs. Myers who at the left, are testing the new language laboratory equipment. This equipment provides a stimulating method of improving language skills. Imitating a recorded voice, the students' pronunciation of a language can be quickly corrected. Records featuring the perfect enunciation of actors and actresses of the famous French theatre, La Come de francaise will be available next year.

GUIDANCE . . .

Mr. Jones and Mrs. Reynolds, our guidance directors, have been a primary factor in the success of many of our graduates. Having the guidance office open at all times gives students ample opportunity to make appointments for conferences which may be held during any study hall or free period. Such topics as changing schedules, future plans, or choosing a college, are often covered during these conferences.

Another important job of this department is to obtain, administer, proctor, and return all psychological and state scholastic examinations. At the right, Mrs. Reynolds and Mr. Jones seem to be pleased with some test results.

LIBRARY . . .

The high school library, an attractive reading room located on the first floor in the center of the building, provides a book collection of over 7000 volumes for junior and senior high school students. Included in the collection are school reference books, which supplement textbook work, recreational reading books, and a varied selection of magazines. Guidance in both reference and recreational reading is accomplished through our school library. To the left Mrs. Johnson holds a book as Mrs. Stenger reaches for another.

SPEECH . . .

Speech and hearing therapy in the Warrensville Heights School System is designed to aid children with special difficulties in the area of oral communication. Groups range in size from a maximum of five to individual treatment. Students who need and desire special speech assistance at the junior and senior high school level are seen once a week on an individual basis. Approximately 100 students are served by this program, annually, under the direction of Mrs. Grant, our speech therapist.

PHYSICAL EDUCATION . . .

Keeping the students in top physical condition is the job of Mr. Tager and Miss Acheson. All students must attend physical education classes throughout their high school curriculum. The physical education classes for the boys include football, basketball, volleyball, wrestling, gymnastics, and baseball. The girls' course covers field hockey, tumbling, basketball, volleyball, and softball. Pictured at the left are Mr. Tager and Miss Acheson who chat in front of the trophy case.

HOME ECONOMICS . . .

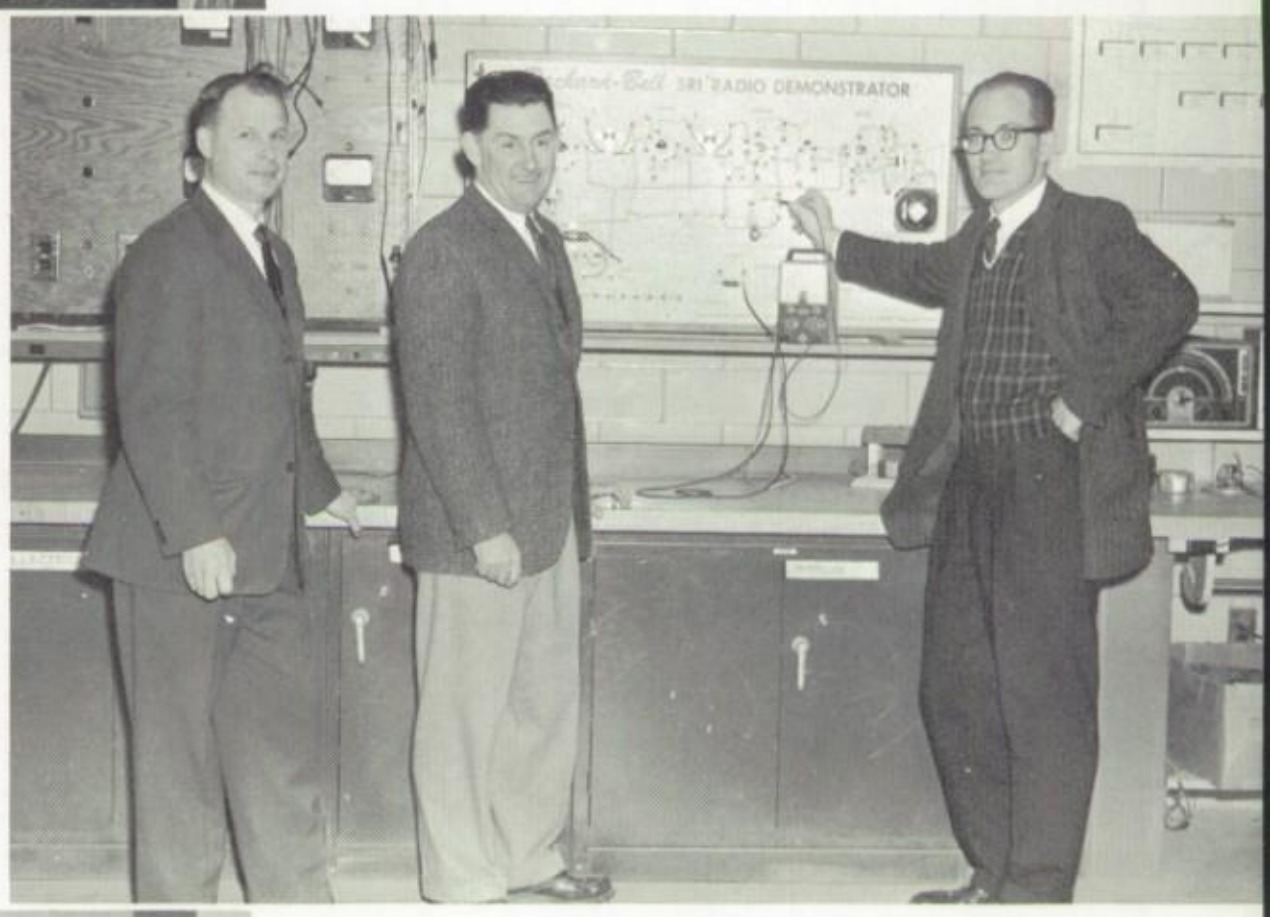
The home economics department prepares the students of today to be the homemakers of tomorrow. Full-year courses in home economics are offered in the tenth and twelfth grades.

In the tenth grade food cookery is studied with emphasis on food preserving, meats, and complete meals. Several sewing projects and studies on home nursing and relations are completed during the year.

Many phases of home financing and budgeting are studied in the twelfth grade. The selection, purchasing, financing, and decoration of a home are investigated. Additional studies are made in meal planning and child development. Senior girls participated in the annual Betty Crocker Homemakers of Tomorrow contest. Helene Ellacott was selected as the Future Homemaker of Tomorrow. At the left Mrs. Haskins and Mrs. Mills inspect a new refrigerator.

INDUSTRIAL ARTS . . .

Industrial arts, a phase of general education, offers opportunity for learning through the use of tools, machines, materials, and applied information. The high school industrial arts program contributes much in the way of prevocational experience and vocational guidance, while the junior high industrial arts program serves to broaden the students' horizons with the introduction of various industrial processes. At the right Mr. Harris, Mr. Murray, and Mr. Rogers inspect some electronic equipment.



COMMERCIAL . . .

The commercial department of Warrensville offers a broad range of business courses. Two years of typing and shorthand, and one year each of office practice, general business math, bookkeeping, and general business join in preparing the commercial students for employment in the world of business.

Commercial students took the National Office Management tests in typing and shorthand. Winners were awarded certificates which are valuable aids in their quest for employment. At the left Mr. Stokes watches as Mrs. Keberle operates the duplicator machine.

ART . . .

The art department, headed by Mr. Blanock, has had an active year. Many forms of art and phases of art history have been studied. Students have done silk screen painting, Chinese brush painting, mosaic work, pen and ink sketches, and sketches of the human form and face. Clay models of radios and automobiles were constructed in the study of industrial design. One of the most enjoyed of the years activities was stone sculpture.

A file of art history and copies of famous paintings is being compiled for future reference. Art students entered the SOWBMAC and Scholastic Art Shows and participated in a soap sculpture contest. Pictured at the right are Mr. Blanock and Miss Gruber who are inspecting pieces of stone sculpture.

MUSIC . . .

The music department of Warrensville offers a number of courses for students interested in instrumental or vocal music. Mr. Watzulik, head of vocal music, conducts the freshman choir, WHHS Singers, choral club, and orchestra. Mr. Wutrich, conductor of the junior high band, also directed the senior high band the latter part of the year. Mr. Kennedy teaches a junior high general music course.

DRIVERS' EDUCATION

A driver's license is often considered an essential item to most teenagers. To see that our young drivers know the rules, regulations, and courtesies of the road, the school has established a driver's education class. The course is open to any student who will be sixteen years old before the close of the semester. Each student, accompanied by the instructor, Mr. Zenisek, drives the school driver education car twice a week.

During classroom discussions the importance of a well-trained driver on the road is greatly stressed. Mr. Zenisek, is pictured at the right.

PEOPLE OF WARRENSVILLE

Warrensville Has an Active Kiwanis . . .

. . . An Active

Organizations

ARE CIVIC-MINDED

One of the most active service organizations in the community is the Kiwanis Club. In the spring this club sold geraniums and donated the profits to the football lighting fund. During the late summer the club sponsored the Junior Olympics and in the fall sold peanuts on "Kids' Day." The funds were turned over to the Warrensville Heights Little League. Other accomplishments of the club include a successful "Toys for Tots" drive and the presentation of trophies to the outstanding high school gridman, cager, and trackman. This body was the outstanding Kiwanis Club for membership increase in the 23rd division.

The Booster Club has helped raise money for the high school athletic fund. They have printed football and basketball programs and run the football concession stand in an effort to raise money for lights on our football field.

The Band Parents' Club sponsored its annual show this year entitled "Westward Woe" on March 10 and 11. The profits from the show were used to buy uniforms and instruments for band members.

The P.T.A. holds rummage sales to raise funds for a scholarship which is awarded each year to a senior who is interested in the teaching profession.

Our city administrators headed by Mayor William J. Racek have provided sound government in the past and with the rapid expansion of Warrensville will continue to provide sound government in Ohio's Largest New City.

STUDENT COUNCIL

The Student Council was organized to promote better understanding and cooperation between the students and faculty. It holds an important place in the activities and development of Warrensville Heights High School. Members of our student government work throughout the year to constantly improve our school.

The Warrensville Student Council initiated an activity fee this year to cover the cost of assemblies and a subscription to the school newspaper and yearbook for each high school student. The high school homecoming weekend festivities were sponsored by this organization. Under the direction of Mr. Baker, advisor, and Leo Congeni, president, members organized the election of the homecoming queen and aided the Key Club in preparing the homecoming float.

Five members of the Warrensville Student Council were also members of the SOWBMAC Student Council. This organization met regularly, bringing students of the various schools together to exchange information and ideas. Making arrangements for the annual SOWBMAC Dance which was held at Warrensville this year was another service the group performed.

N. H. S.

Although the purpose of the National Honor Society is to recognize high academic achievements, each of the students elected into the Society must also possess outstanding qualities of leadership, character, and service. Sophomores, juniors, and seniors are selected for membership by a faculty committee. The committee makes its final decision by studying rating sheets from all the teachers about each candidate.

At this year's formal induction on April 21, President Ronald Chevako spoke on the history of the National Honor Society. Four other members followed with speeches of the qualities of Scholarship, Service, Citizenship, and Character. In a candle ceremony the thirteen new members were inducted as they repeated the Oath and were presented with their pins. Mr. Garth Koch was the main speaker for the evening.

A new program involving the Honor Societies of the SOWBMAC schools was initiated this year, enabling the presidents of each society to exchange ideas for improving the organizations' functions.

The Key Club, a boys' service organization sponsored by the Warrensville Kiwanis, has as its goal the completion of at least one service project each month. Its projects included decorating the Homecoming float, serving as projectionists at the Health Fair, and aiding the Kiwanis in their annual geranium sale.

In March nine members attended the Buckeye District Convention in Columbus. Ray Hatton, next year's Warrensville chapter president, was chosen as Ohio's candidate for international trustee at the International Convention in Philadelphia.

The Future Teachers of America is an organization dedicated to acquainting those interested in teaching with the practice, problems, and techniques of the profession.

F.T.A. members participate in numerous programs which put them in actual contact with teachers and students in and out of the classroom. They help with examination papers, conduct classes, and discuss the problems of discipline and curriculum. This year they have discussed the advantages and disadvantages of European schools with students who have attended schools in foreign lands.

AUDIO-VISUAL

Many of the most interesting and informative class room hours are provided by the members of the Audio-Visual Department. In charge of all the audio-visual equipment and often its operation, these boys are responsible for the large number of films and film strips shown in many Warrensville classes.

Members are required to complete a rigorous course in the handling and operating of visual equipment.

HALL GUARDS

The Astronomy Club of Warrensville is a small, informal organization for those interested in astronomy in all its many facets. Members participate in many activities which broaden their knowledge of this important science. They attend lectures, visit the excellent local observatories and planatariums, and conduct extensive programs of observation. Many members own or are constructing their own telescopes.

It is the duty of the MemWarrs staff to capture the memories of the school year. This year, for the first time, an activity fee of $3.50 was required of each high school student, two thirds of which was appropriated to the MemWarrs. The remaining expenses of the book were provided by the personal patron and business listings. With the addition of 48 pages, this year's MemWarrs composed a 58% increase over the volume of last year's book.

Keeping the student body posted on all school activities, is the primary aim of the school newspaper. Progress has been the most important product of the staff. The Warrensville Heights High marching band was a fitting compliment to the new look of the lighted football field. The band's marching drills, led by head majorette, Diane Smith, provided a high point in the half-time activities of all Warrensville football games. Tiger mascot Jean Hutler accompanied many band performances with dance and gymnastic routines.

The half-time entertainment during the homecoming game featured exhibitions of the unusual skills of Diane and Jean. Twirling a baton with tips of fire, Diane held the entire stadium in silent suspense. Jean performed a lovely combination of dancing and gymnastic excellence.

The last half of the school year is the time for band members to put away their marching shoes and prepare for the concert season. The first formal recital was to have been the annual Christmas Concert. It was, unfortunately, "snowed out."

Undaunted, the band members prepared for the solo and ensemble contests held in late February at Euclid High School. Some also participated in the SOWBMAC and county bands.

At the Spring Concert held in April 1, the junior and senior high concert bands and choral groups combined to present a delightful evening of music. The Strawberry Festival in early June provided a delicious finale to the concert band season.

The hard-working Warrensville Band Parents' Club financed four scholarships to a summer band clinic and the annual band awards banquet.

GROUPS

MR. WATZULIK, Choral Director

The WHHS Singers, a small ensemble, is a recently created addition to the musical organizations at Warrensville. This year the Singers recorded a Christmas carol, "The Holly and the Ivy," for a KYW Christmas radio program. Warrensville's contribution to the SOWBMAC Choral Festival included the Singers, who sang "Bye, Bye Blues" and an English rendition of "Besamé Mucho."

This year the Choral Club turned its talents toward the successful presentation of the Gershwin musical, "Of Thee I Sing." By participating in the choral groups, students have become familiar with a great many outstanding pieces of musical literature.

FRESHMAN CHORUS

ROW 4: S. Wilson, D. Mitchell, V. Underkofler, A. Armenio, E. Myers, M. Burrus, L. Pertz, J. Schneider, D. White, M. Blank, B. Bage. ROW 3: C. Miklos, J. Meyer, G. Sebastian, J. Sherwin, S. Balogh, P. Brown, L. Cheh, C. Tollis, B. Banduh, M. Nixon. ROW 2: B. Kratky, M. Kinney, D. Ferrara, J. Huml, J. Smith, L. Vinci, T. Dulay, N. Oust, M. Posateri. ROW 1: J. Keller, B. Maxfield, P. Toth, V. Haynam, E. Zell, L. Kuzak, J. Arra, M. Markis, J. Skypeck, B. Subwick. Absent, A. Lazar, E. Denison.

The Freshman Chorus, directed by Mr. Watzulik, has been one of Warrensville's most active choral groups. This group sang at a P.T.A. meeting, the Spring Music Festival, and a meeting of the Kiwanis.

Members of the Freshman Chorus sang at a school assembly after receiving new blue jackets edged with gold with a gold treble clef.

The Warrensville Chorus and Singers participated in the annual Christmas concert held in the Rose Memorial Shell on public square. Each day during the Christmas season a choral group from an area high school gave a concert for the benefit of Christmas shoppers.

ORCHESTRA

ROW 3: D. Koch, D. Rodgers, L. Masciere, R. Chevako. ROW 2: J. Turk, G. Neumann, F. Alesci. ROW 1: M. Blahovec, Concertmistress; C. Papp, V. Neemes, S. West.

Too often students who play instruments not suited to a school band are unable to participate in the school music program. The Warrensville High School Orchestra, directed by Mr. Watzulik, does, however, offer such an opportunity for these students.

Members of the Warrensville Orchestra have played in the county orchestra for many years. Melinda Blahovec has been concertmistress of this orchestra for the past four years.

The annual solo ensemble contest was held on February 25 at Euclid High School. Many members of the Warrensville band and orchestra participate in the contest.

Pictured at the right are the Senior High soloists who received superior ratings, Charles Papp, Susan West, Melinda Blahovec, and Ron Chevako.

ROW 2: R. Bobner, L. Lister, J. Meyers, C. Blaylock, M. Blahovec, D. Rodgers, R. Chevako, Mrs. Reynolds, advisor. ROW 1: M. Gharib, J. Buffington, P. Ottobre, B. Baley, D. Reno.

NEWSCASTERS

"Good morning from your Warrensville Heights High School Newscasters . . ." is a familiar greeting to the students at Warrensville. It is extended each morning by a member of the newscasters, a service organization, whose purpose is to deliver important announcements to the student body via the public address system.

The candidates, with clear enunciation and pleasant speaking voices, are chosen by the present members and the sponsor, Mrs. Reynolds.

At the left M. Blahovec and R. Chevako originate the morning broadcast as R. Bobner and D. Rodgers, below control the volume.

FASHION BOARD

Roseann Strazzanti, Sandy Senick, Gloria McBride, Janet Bukszar, Sue Bartholow, and Barb Vidra, below, wait to show their wardrobes. At the right, Barb Vidra helps Jim Solomon get ready for the fashion show.

The purposes of the Senior High Fashion Board are to provide W.H.H.S. girls in appearance, personality, and social graces, to bring news of fashion and fads to the girls, and to help all girls learn how to spend money wisely and select their clothes.

ROW 2: Mrs. Mills, D. Smith, E. Woborzil, C. Benko, J. Huttler, R. Strazzanti, S. West, B. Storinsky, J. Garvin.
ROW 1: M. Uhrin, sec'y; P. LaTorre, J. Szitas, pres.; N. Stenger, V. pres.; M. Metzenbaum, treas.

BOOK STORE

The high school book store, run by David Kelsch, Jane Neff and Charles Althoff, is under the direction of Mrs. Coghlan. It has proved to be a reliable source of school supplies for the student body, offering everything from pencils to slide rules and math tables. Although the store is a non-profit organization, a slight balance is accumulated each year. This money is used to purchase next year's supplies.

ROW 2: C. Althoff, D. Kelsch. ROW 1: Mrs. Coghlan, manager; J. Neff.

ART BOOSTER

The Art Booster Club provides Warrensville with the many art projects which require extra time after school and during study hall. Art Boosters paint scenery for the school plays, make and letter posters, aid in securing art supplies, and help collect information for the art reference filing cabinets.

ROW 4: K. Virzi, Mr. Blanock, B. Izak, R. Sarka, J. Kovacs, J. Orzechk. ROW 3: D. Jay, J. Pallai, M. Pelczarski, R. Kavula, L. Kelsch, J. Pickersgill. ROW 2: M. Pinto, L. Janca, J. Gervace, J. Nicolosi, J. Nyberg, B. Georgian, P. Rogers. ROW 1: C. Adams, C. Schultz, J. Bade, A. Rinaldi, M. Georgian, A. Cross.

OFFICE ASSISTANTS

An essential component of our high school office system is the group of students who serve as office assistants. The assistants have varied but extremely useful duties. Among their many functions are writing admission slips, sorting mail, filing student records, and compiling the absentee list.

ROW 2: Mrs. Gravill, sponsor; J. Neff, L. Arko, G. McBride, C. Seith, B. Niesig, P. Hillier, P. Ottobre, H. Ellacott, J. Butterfield, K. Fisher. ROW 1: J. Garvin, M. Uhrin, S. Senick, P. Amentini.

GIRLS' LEADERS

The basic purpose of the Girls' Leader's Club is to develop leaders for the girls' physical education classes. The members are not only responsible for all the equipment used in the classes, but they must also participate in varsity sports. The G.R.A. mother-daughter picnic held in May is the season's highlight. At this picnic the incoming officers are announced and presented with their duties for the oncoming year.

ROW 4: E. Woborzil, C. Blaylock, B. Wille, B. Good, J. Neff, D. Smith. ROW 3: Miss Acheson, advisor; P. Brown, B. Baley, S. Burkey, J. Szepessy, C. Papa, L. Georgian. ROW 2: P. Guccione, C. Disbrow, B. Bage, K. Uhrin, C. Miklos, S. West. ROW 1: V. Haynam, M. Fisher, C. Cangelosi, M. Posateri, J. Fuller.

ROW 5: F. Mowchan, J. Shumney, R. McClure, J. Dubsky, R. Johnston, G. Bartholomew. ROW 4: Mr. Mills, R. Nowak, W. Herbert, R. Fuller, B. Pietrafese, J. Hansen, W. Crisick. ROW 3: J. Nagy, E. Solomon, S. Bando, R. Fuller.

VARSITY "W"

Varsity W is devoted to the encouragement and recognition of athletic participation. To be eligible for membership, a Warrensville boy must earn a letter in a varsity sport.

Varsity W initiation is one of the high spots of the year. It features unusual clothes such as tights, bermuda shorts, and flowered lamp-shade hats. Stunts, including the usual push-ups, songs, and recitations, plus the fellowship of several friendly "fish" are all a necessary part of the ceremony.. The week of initiation is truly the final test of the courage and prowess of Warrensville's athletes.

During the year the members have aided in raising money for the football field lights, ushering at basketball games, selling school jackets, sponsoring a canteen after a basketball game, and arranging a victory dance for our triumphant basketball players.

ROW 4: D. Grabowski, H. Gilbert, R. Peterson, R. Sarka. ROW 3: Miss Cooney, G. Merk, treas.; S. Smith, E. Manna, B. Cameron. ROW 2: Rodgers, D. Koch, G. Namy, D. Szalai, M. Fisher, D. Reno. ROW 1: L. Masciere, J. Brower, v. pres.; R. Bouchard, pres.; T. Balogh, sec'y.; C. Krouse.

DEBATE CLUB

Organized this year, the Warrensville Senior High Debate Club has quickly become one of Warrensville's most active clubs. Monthly debates are held on such topics as capital punishment and the right-to-work law. An interesting debate on the question of capital punishment was presented before the high school student body on April 10. Parents were given the opportunity to view this debate on April 12 at the Warrensville P.T.A. meeting. Plans are being laid for interschool debating to begin next year.

The action shots on this page were taken at the two public debates.

The G.R.A. is the only organization in our high school in which the girls can demonstrate their athletic ability. The club was founded with the intention of training the girls in the various sports, and developing their sportsmanship. With such activities as field hockey, basketball, volleyball, and softball, the girls are kept active all year round. The "Daisy Mae Drag," the annual G.R.A. square dance was held on November 19th in our high school cafeteria.

The Y-Teen Organization opened the year with their traditional initiation of new members. In November, a World Fellowship Banquet was held. The Donkey Basketball game on November 18th resulted in a Victory for the Y-Teens against the G.R.A. Among their other numerous events were a cabin party overnight, a "Can-Canteen" which provided a holiday meal for an underprivileged family, swim parties, "Heart Sister Week," and a style show. The Y-Teen Organization was formed in 1954 to satisfy the need for an extra-curricular program for girls in which they could broaden themselves in mind, body, and spirit.

RED CROSS

MAJORETTES

Our junior high has organized several groups of its own in the three years of its existence. Keeping up the pace of the junior high band were the perky majorettes, L. Kuzak, head, J. Arra, V. Haynam, K. Uhrin, and D. Ferrara. The Warrensville Heights Junior Chamber of Commerce sponsored the annual Science Fair. David Santich, the junior high winner, is shown at the right. Selecting a title and appointing a staff completed the preparations for the junior newspaper, "Tiger Tribune." This year also marked the beginning of the active Junior Red Cross.

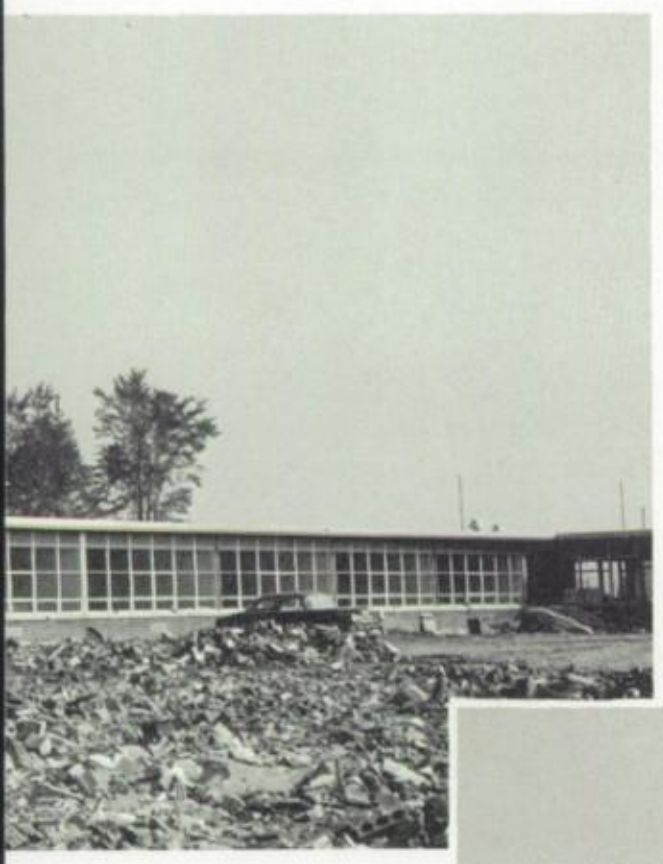
STILL GROWING

Although many developments such as Brentwood, Shakerwood, Clarkwood, Eastwood Estates and the Ellacott Parkway apartments have sent Warrensville's population skyrocketting, the city's schools have kept pace with the growth. Since 1953 the total enrollment has increased from 1,118 to 2,155 students. To provide facilities for these youngsters, Warrensville has erected Eastwood Elementary School, John Dewey Elementary School, and the newest addition pictured at the left, Westwood School. This building houses 279 students in 14 classrooms, a ratio of 20 students per classroom. Each of the elementary schools is equipped with a stage and a gymnasium.

The high school has had four additions since the first section was completed in 1949. The latest wing provides office facilities, laboratories, and classrooms for the junior high, as well as conference rooms and lounges for faculty members.



The beauty of the community has been greatly enhanced with the addition of many new industrial plants such as the Lincoln Bearing Company pictured below. The personnel of these industries take an active interest in Warrensville. Many belong to the Warrensville Heights Chamber of Commerce.

The additions of Suburban Community Hospital and Brentwood Hospital have afforded the people of Warrensville superior medical facilities.

JUNIORS

Throughout the year the Juniors find themselves confronted with many responsibilities. The largest is raising money for the Prom held every spring. During the year the refreshment stands at school events helped provide funds. Their last project before the Prom was the Junior Class Play, "Blithe Spirit." Ending another full year, the Juniors move on to their new roles of leadership in their Senior year to come.

CLASS OFFICERS from left to right are J. Neff, Sec'y; D. Smith, Treas.; S. Saraniti, Pres.; J. Duale, V. Pres.

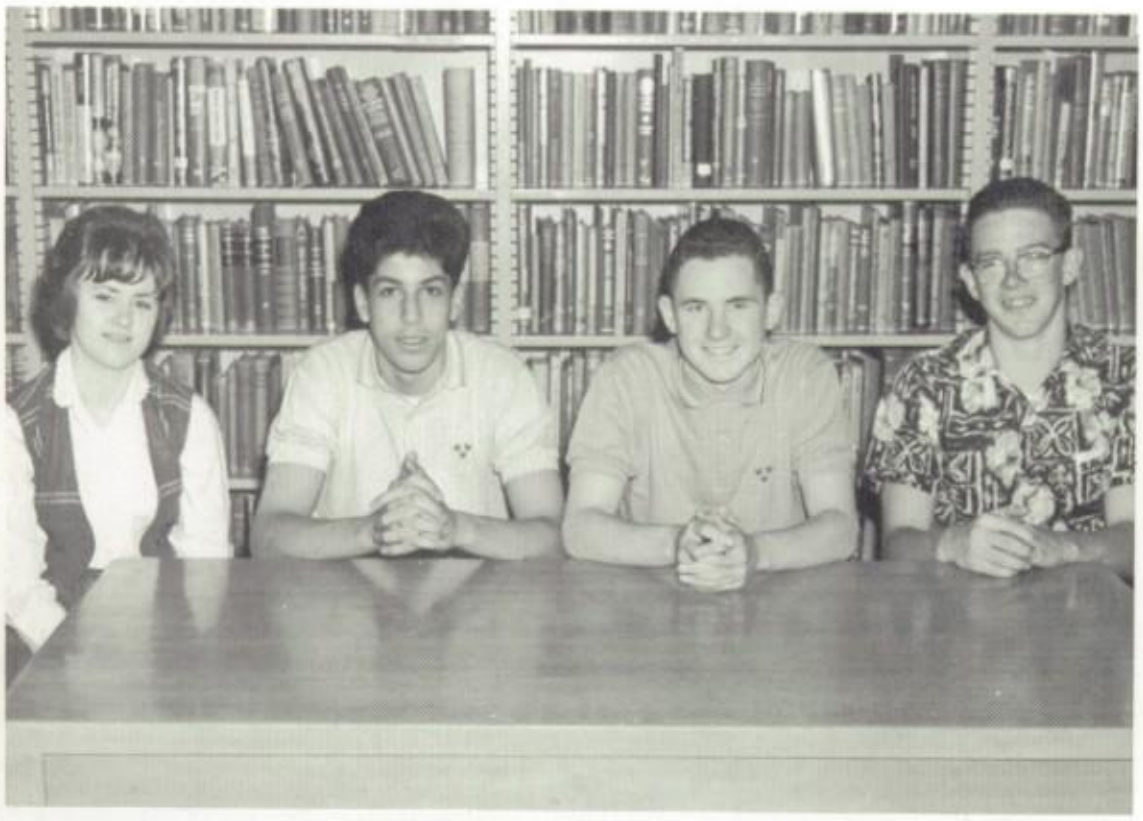
FRESHMEN



This year the Freshman class activities were highlighted by the election of class officers in the spring of "61." The results were Maragret Kinney, secretary, Tom Embrescia, president, Ted Dietz, vice president, and Don Heiman, treasurer, pictured at left. Although the class was not exceedingly active this year, tenative arrangements were made for next year's activities. These activities will range from picnics to dances. Their purpose will be to raise funds for the class's forthcoming Jr.-Sr. Prom.

ARE ENERGETIC

Many of Warrensville's improvements are the result of hard work by members of the community. The 42' by 86 1/2' all steel pool was the direct result of a successful "Build a Pool" campaign. During the summer of 1960, a 42' by 46' addition was constructed.

Many men donated their time to the Little League. Approximately thirty men umpire, manage, and coach. The field itself was constructed by men of the community.

One of the major dreams of football fans and Mr. Rudolph Korsgaard, the athletic director, became a reality this year. For the first time in the school's history a football game was played on our home field at night. The new football field lights represent a great deal of work accomplished by many different organizations. Mr. Korsgaard and the high school student body combined to produce a successful candy drive. The money received from the W.H.K. Radio Wonders-Warrensville faculty basketball game, in which the faculty trounced the Wonders 69 to 63, also went to the lighting fund. The Boosters' Club, under the direction of President Richard J. Hamad, printed programs for football and basketball games. The money received from Boosters' Patrons went into the lighting fund. The Boosters also took part in a donkey basketball game and operated the football concession stand to raise money for the lights. The Kiwanis Club and the Band Parents' Club have also assisted with raising funds for the lights.

Although our mighty Tigers began their season with a loss to Brecksville, the team proved to have great potential. Bouncing back for the second game, the squad had little trouble topping North Royalton. Soon the annual problem of injuries began to effect the team. The game with Solon placed five of the first string players on the injury list and as a result, the team was faced with an obvious handicap. In spite of this problem the

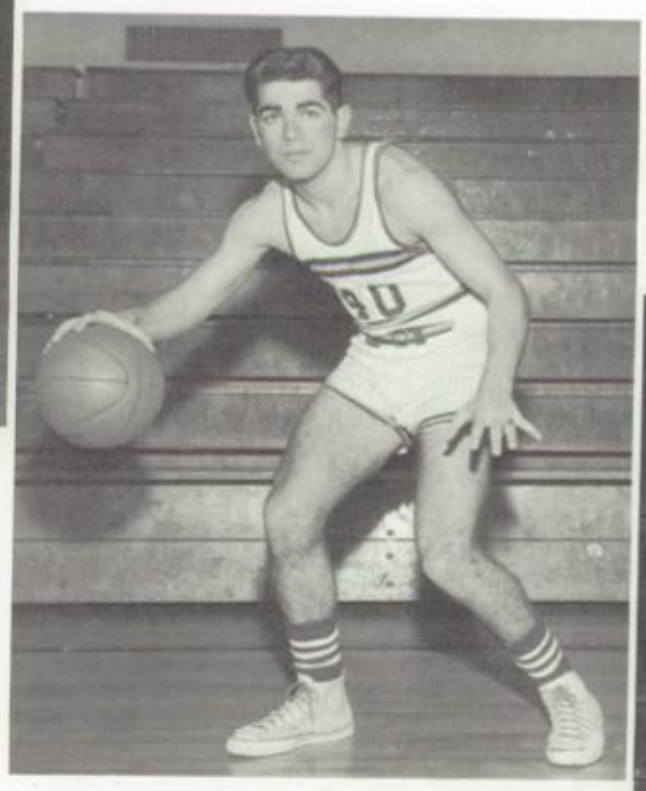
BILL MEYER

COACH TAGER

This year our Warrensville Cagers captured the East County Championship and the Bedford Sectional Title. The team completed their regular season schedule undefeated with a brilliant 18-0 record, before entering the Class "AA" State Tournament. The Tigers continued their torrid pace in the tournament, downing such powers as Cleveland Hts. and John Adams before finally submitting to a strong St. Ignatius team. Coach Tager, who was noted for his calmness on the basketball floor,

Leo Congeni, the organizer, did a fine job of calling and setting up the plays. He sparked the defense and aided the offense with some long "jumpers."

In addition to his selection to the All-East County and the Bedford Sectional and District teams, Bill Meyer was chosen a member of the Cleveland Press All-Scholastic Team, and received Honorable Mention in the State Team ratings. This year Bill has set four school basketball records.



Filling in for any player at any time was Al Strazzanti's position. He always came through and did the job well.

Although this was his first year to play on a school basketball team, "Hatchet Man Nowaki," Ron Nowak helped the squad through many close games.

stressed the importance of teamwork. This along with hard work and excellent coaching produced a 21-1 record.

At the basketball banquet Coach Tager, with the aid of the Boosters and Kiwanis presented a Most-Valuable-Player award to each of the team's eight members. The boys reciprocated and presented Coach Tager with a trophy inscribed "To a Championship Coach from a Championship Team" to show their gratitude for a job well done.

Jim Embrescia provided a strong defensive left side. Even a taped shoulder could not stop Jim from "ball-hawking."

The only sophomore to play on the varsity team, Tom Stanley showed great potential and will be an asset to next year's squad.

Sal Bando proved to be a key man both on defense and offense. His "steals" and shooting produced many Tiger points.

Ken Rowen was one of the team's primary rebounders as well as a leading offensive man. Although shorter than some centers, he always put forth an extra effort and won most of his jumps. For his excellent work under the boards, Ken was selected to the All-East County Team.

Although the team was not exceptionally strong this year, valuable knowledge was gained. This knowledge will strengthen the '61-'62 team considerably.

JUNIOR VARSITY

Enhancing spirit and enthusiasm throughout the school, the varsity squad of six energized the student body with cheers, chants, and humorous rallies. These rallies supplied the students with the needed incentive to support the team in an all out manner. The inclusion of "way out" imagination was an unusual difference in this year's rallies. All in fun, these rallies gave our school a real boost of spirit uncaging that unheard of tiger roar. The J.V. cheerleaders, Julie Hassink, Marcia Fisher, Connie Cangelosi, and Diane Reno, took part in many of the rallies adding to the enthusiasm. On October 29th, both squads attended the Cheerleading Clinic at Byron Junior High School which contributed to their untiring effort in boosting team spirit.

The G.R.A. is a recreational association for active girls in grades ten through twelve. This group of approximately ninety girls participates in such sports as field hockey, basketball, volleyball, bowling, and softball.

Lead by the sports head, under the direction of the physical education instructor, Miss Acheson, the G.R.A. girls strive for victory against such schools as Hathaway, Orange, Euclid, Shaw, Chagrin, and Solon. It is the responsibility of these sports heads to organize the teams and to ready the equipment, supplied by the school.

The G.R.A. letter awards, loving cups, and a campus wolf are presented to the outstanding players or high point winner in each sport at the end of the year.

The G.R.A. square dance and the end-of-the-year picnic always turns out to be a big success for these fun-loving girls.

To join this club a girl must be ambitious and willing to give up some of her time for the games. In return, she gains plenty of friends and fun.

7th AND 8th GRADE TEAM

Training the 7th and 8th grade boys for their future participation in athletics is the primary purpose of the junior high basketball team. ARE FUN LOVING

The citizens of Warrensville are offered a wide variety of entertainment. This year in its eighth season, Musicarnival provided a whole summer full of first-rate musicals.

The sports-minded citizens may attend a year round season of high school athletic events. Those who wish to participate in sports may bowl at Northfield Lanes or ice skate at Northfield Plaza.

Other people take delight in viewing a parade. Each year different organizations of the community provide a colorful Memorial Day parade. The traditional route from Warrensville Center and Gladstone Roads to the high school is always lined with spectators. On October 2, 1960, many citizens viewed the City Celebration Parade. A scene from that parade is pictured below.

Mr. Walker, Superintendent, gives a short address during the Homecoming Ceremonies.

Excitement and suspense are the words which best describe the homecoming this year. The excitement began at 8:00 p.m. on September 31 when our tigers beat Orange 30-28. The suspense began at half time when the band and the majorettes formed the heart which signaled the announcement of the 5th annual Homecoming Queen. Mr. Hamad, president of the Booster's Club, had the honor of crowning the queen, Jean Huttler. She and her attendants, Cappy Benko, Mary Metzenbaum, Jean Prasek, and Marie ReBell, reigned the next evening at the traditional Homecoming dance held in the gym.

Sunday's festivities began at 2 o'clock when a parade, containing The Homecoming Queen float, and the high school and junior high school majorettes proceeded to the carnival grounds at the Musicarnival parking lot.

At 7:30 that evening, history was made as Mayor Racek accepted the plaque which made Warrensville Heights a city.

BONNIE WILLIAMS
1960 SNO-PRINCESS

The 5th annual Sno-Ball, held in our high school gym, was the highlight of the Y-Teen events this year. On December 17th, fifty starry-eyed couples whirled to the dreamy music of "The Blue Tones." A Christmas wreath entrance led the couples into a wonderland fantasy filled with glittering snowflakes. A cheery Christmas greeting, made of paper flowers, was placed in front of the bandstand to welcome all; even a paper mache Santa was present to remind you that the real Santa would soon visit the dance with candy cane favors for the girls. The scene was set off by a six foot silver Christmas tree reflecting all the holiday color of the red and green crepe paper ceiling.

Victory Dance

Saturday night, March 18, the Varsity "W" held a semi-formal dance on behalf of the varsity basketball squad. Since the dance was in honor of the team, four candidates were nominated by the Varsity "W." The candidates were: Sal Bando, junior; Leo Congeni, senior; Tom Stanley, sophomore; and Ken Rowen, senior. The senior high student body voted for their choice for king and the winner was announced at the dance. Ken Rowen was crowned king by Marie ReBell, Vice-President of Student Council.

One of the annual projects of the SOWBMAC Student Council is a semi-formal dance sponsored in the spring. The dance, titled the "SOWBMAC Swing," was presented at Warrensville this year.

Each school is given the opportunity to choose a SOWBMAC Queen candidate. Our student council committee selected Jane Duale, a perky junior, to represent Warrensville. With each school sending one of its outstanding and also prettiest girls, the competition was very stiff. A highlight among the many festivities that took place during the evening was the crowning of the SOWBMAC queen, Karen Fencl of Chagrin Falls.

Prom 1961

Frills, flowers, and cheery faces were part of the dreamy atmosphere that filled the spacious Lakeshore Country Club on Friday, May 19. The special and most memorable occasion was the Junior-Senior Prom. Vince Patti and his orchestra provided the music for the whirling couples on the dance floor. At 10:30 the time had come for the crowning of the Prom Queen. A grand march, lead by the junior officers and followed by the Prom candidates previewed the crowning. Helene Ellacott, a pretty blue-eyed senior, was crowned by Junior Class President, Sam Saraniti. Helene's Attendants were Cappy Benko, Mary Metzenbaum, Marie ReBell, and Rose Ann Strazzanti. Following the crowning was a dance for the candidates and their escorts. The delectable refreshments served included sherbert punch and assorted pasteries served by the glittering view of the lake.

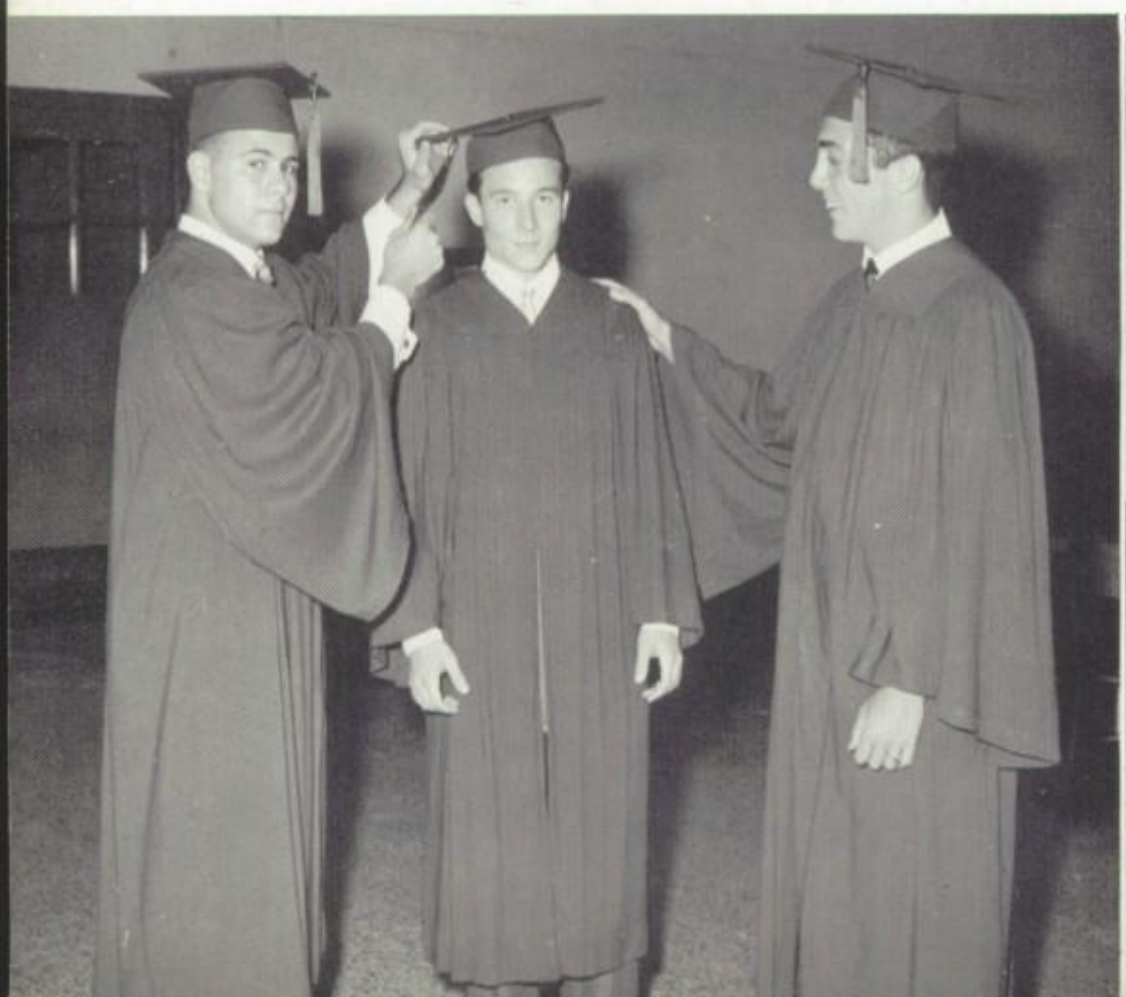
Graduation '61

The Class of "61" enters during the commencement exercises.

Bringing a most memorable year to a close, Warrensville's fifth annual graduating class of 91 members proudly received their diplomas. Commencement was held in the high school gymnasium at 8 P.M. on June 7. Speakers were Ronald Chevako, Valedictorian; Melinda Blahovec, Salutatorian; and Dr. Lionel G. Crocker, professor of the department of speech at Denison University. Dr. Crocker spoke on "Passport to Citizenship." A musical interlude presented by Melinda Blahovec, Virginia Cangelosi, and Ronald Chevako, was part of the program.

Melinda Blahovec, violin, Virginia Cangelosi, piano, and Ron Chevako, French horn, played a Brahms Horn trio.

John Bando, Robert Fuller, and Leo Congeni make some last minute adjustments.



Nancy Stenger, Erica Worborzil, Cristine Seith and Pat LaTorre observe that the wonderful is not far away.

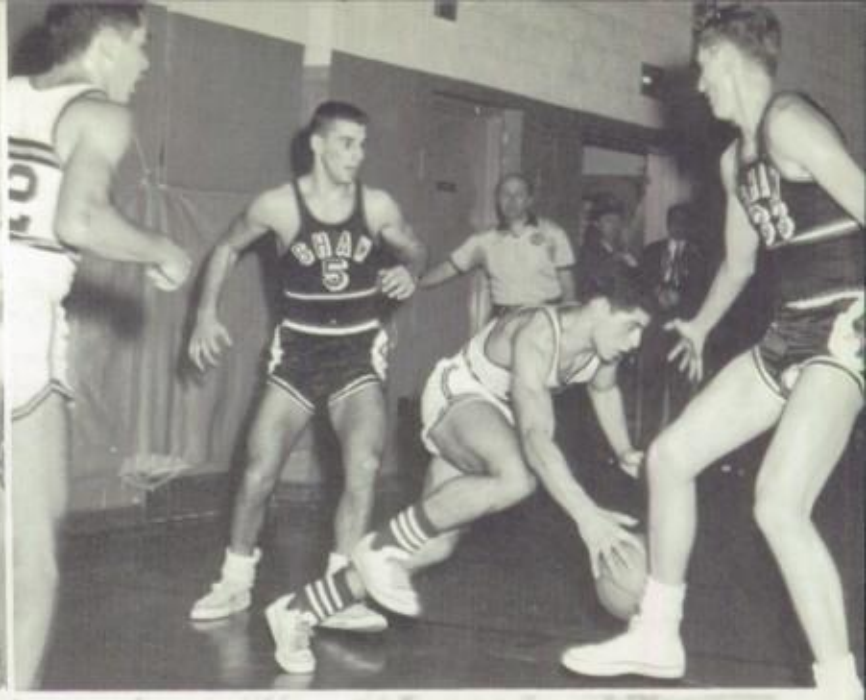
LOVES YOU



COURTESY OF THE KEY CLUB

St. Ignatius

We of the yearbook staff are grateful to everyone who has helped make this book possible. Speaking for the entire student body, we thank the school administrators, the faculty, and parents for a job well done. To each of the graduating Seniors, we extend our hearty congratulations. Go into the world and put your acquired knowledge to good use. It is you who must continue to improve our community and our world.
